

List of audit firms not participating in the Protocol

This list represents all Canadian participating audit firms who are not participating in the [Protocol for audit firm communication of CPAB inspection findings with audit committees](#). The list does not contain participating audit firms from other jurisdictions who are not participating in the Protocol.

This list was last updated as of December 6, 2022. Any questions pertaining to an audit firm's participation in the Protocol should be addressed to the Participating Audit Firm.

A list of firms participating in the Protocol can be found [here](#).
